Lorena-
Thanks for the update I appreciate you getting back to me it's quite refreshing… I think we were paying too much before and we will end up getting the same level of service, or very close, at the reduced amount. Thanks for taking care of the alleys as well!

On a waterfront related note Elise and I are working on setting up a meeting with our Ports O Call partners The Ratkovich Company so the Chamber & Pbid Boards get to hear about what is going on down there form the horse's mouth plus get a chance to know Wayne better ahead of our public presentation in early March. We are looking at February 19th at 10am in the Chamber Board room. It's hasn't been confirmed yet but I wanted to be sure you had the date in your calendar. Can you send me the list of all Pbid board members email addresses?

Alan

HI Alan,

I left you a voice message earlier, but I also wanted to send you this email.

Before we cut back on the Clean San Pedro service, they were providing us with 90 man hours/week.
Total monthly $11K-$12k/month
When we cut back, 45 hours week, $5,475/month.

I'm looking to increase the man hours to 60 man hours/week in February. We can sustain this level for the 12 months of the year. We expect to get our first funding of approximately $280 sometime next month so we can make these changes.

Meanwhile, I spoke to Clean San Pedro this morning and sent them out to clean the alley. Please let me know if the alley needs further attention.

Best regards,

Lorena Parker
